

Fruit & Veggie Cards

These cards are designed to help your child practice matching and identifying fruits and vegetables..

Print the sheets, cut and then laminate to make them more sturdy for younger children.

The cards can be used as a memory game, for matching to like objects, grouping by colors, etc... It's up to you! You can also use the picture cards to practice identifying fruits and vegetables with your child {maybe even sort them by likes and dislikes...}

Word cards are provided for each of the fruits and vegetables pictured. Let your child sound out the words and find the word card that matches the picture card.

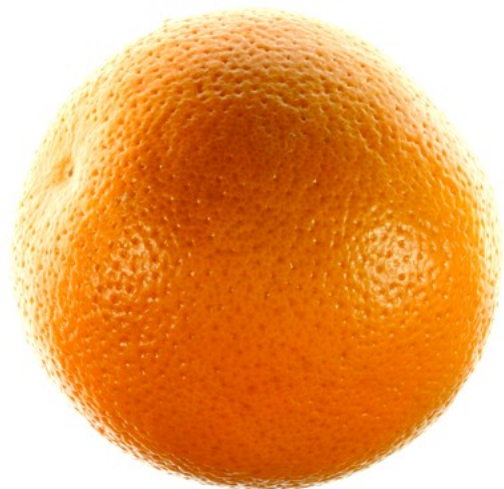

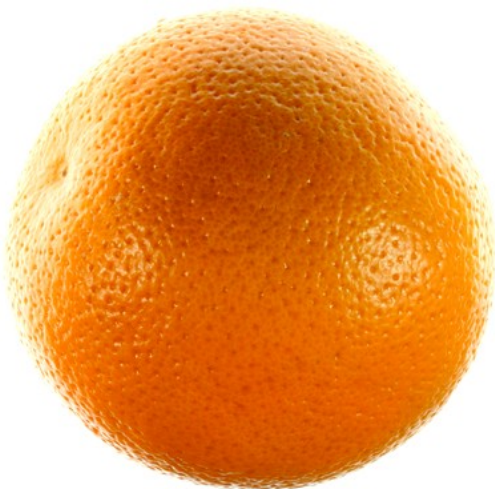

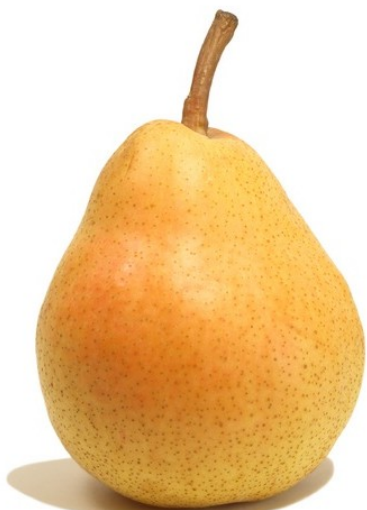

Most of all - just enjoy the time with your child!
