

Print the **Number Tracing Cards** in this set onto cardstock, laminate, and cut along the white line to separate the cards. Punch a hole in the top left corner of each card and put onto a jump ring {key ring}. Let your child use a dry erase marker or vis-à-vis marker to trace the letters and write their own. If you use a dry erase marker, the letters will wipe off easily, while a vis-à-vis marker may require more scrubbing to remove {but will not smudge while your child is writing}.

The **Number Tracing Cards** include two sets of cards for your child to use: one for 1:1 correspondence counting and another for number/word identification.

Find the **Uppercase Letter Tracing Cards** the **Lowercase Letter Tracing Cards** and more preschool alphabet, math and beginning writing activities on the following pages:
