Transportation Preschool Pack {Part 2}

Note: There are TWO parts to this printable, so be sure that you download BOTH parts of the printable to have all of the pages!!! Find all downloads on this page:

This pack contains early learning printables to use with your toddler or preschooler when studying about transportation. I would highly recommend printing the activities from this set onto cardstock so that they are sturdier for younger hands.

Printables for this preschool pack include:

- Name tag strip for front of lapbook or folder if you store your preschool pack
- Story summary sheet for one of your favorite books
- Transportation words {and 2 part word and picture matching cards}
- Shadow matching
- Fly the Airplane tracing lines
- 3 Piece puzzle cards
- Vehicle size sequencing
- Color by number coloring page
- Letters to spell several vehicle words
- Count the Vehicles ~ 1:1 counting and number identification cards
- Vehicle Colors ~ trace the color word
- Left and Right direction sorting cards
- Beginning sound word cards
- Letter H and B word tracing sheets
