

Print the **Uppercase Letter Tracing Cards** in this set onto cardstock, laminate, and cut along the white line to separate the cards. Punch a hole in the top left corner of each card and put onto a jump ring {key ring}. Let your child use a dry erase marker or vis-à-vis marker to trace the letters and write their own. If you use a dry erase marker, the letters will wipe off easily, while a vis-à-vis marker may require more scrubbing to remove {but will not smudge while your child is writing}.

The **Uppercase Letter Tracing Cards** also include a few additional cards including the words Mom, Dad, a 'My name is' and a blank card for you to have your child imitate.
