

# Wizard of Oz Preschool Pack Part Two

Thanks so much for stopping by my site and downloading this file. I hope that you and your child have **MUCH** fun together using this free resource! You can find all of my files and links for this unit on this webpage. Please note that there are **TWO** files to download the full preschool pack!

<http://homeschoolcreations.com/WizardofOzpreschoolpack.html>

This pack contains early learning printables to use with your toddler or preschooler when studying about the Wizard of Oz. I would highly recommend printing the activities from this set onto cardstock so that they are sturdier for younger hands.

A great go-along book for preschoolers is [The Wizard of Oz](#), retold by Carol Ottolenghi.

If you would like to share, please share a link to my blog or to the page that hosts these files. **Please do not link directly to just the PDF files** (the link you are at now). Please feel free to print this pdf file for your own personal use. They were created for private and non-profit use. Please do not sell or host these files anywhere else.

# Fractions

Print {and I would recommend laminate} the circles below to teach your little one about fractions. Match the fraction circles to the ones on the following two pages. Use either the set that has the fractions on them or the set without.

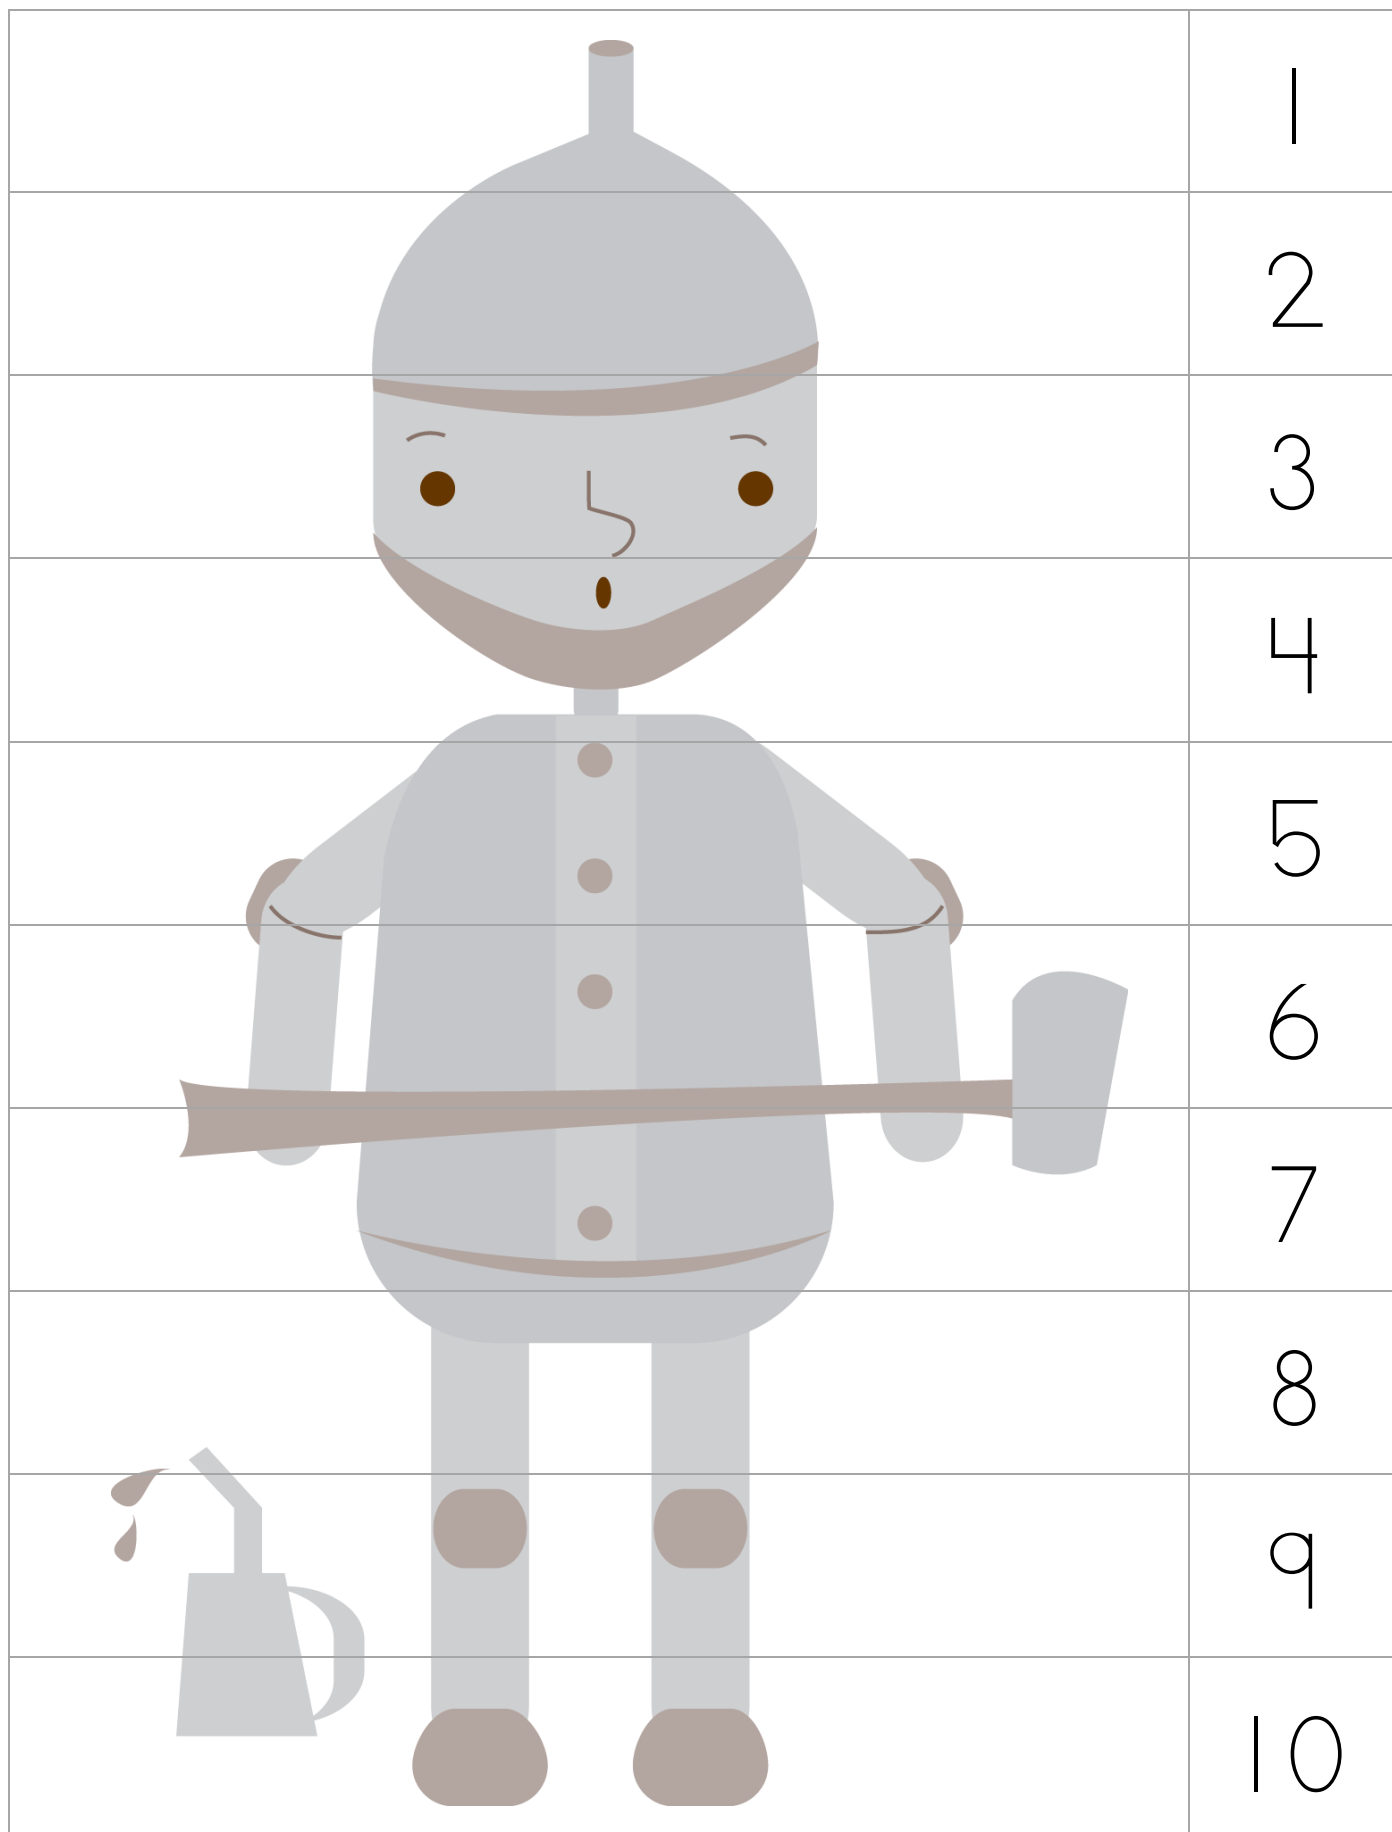

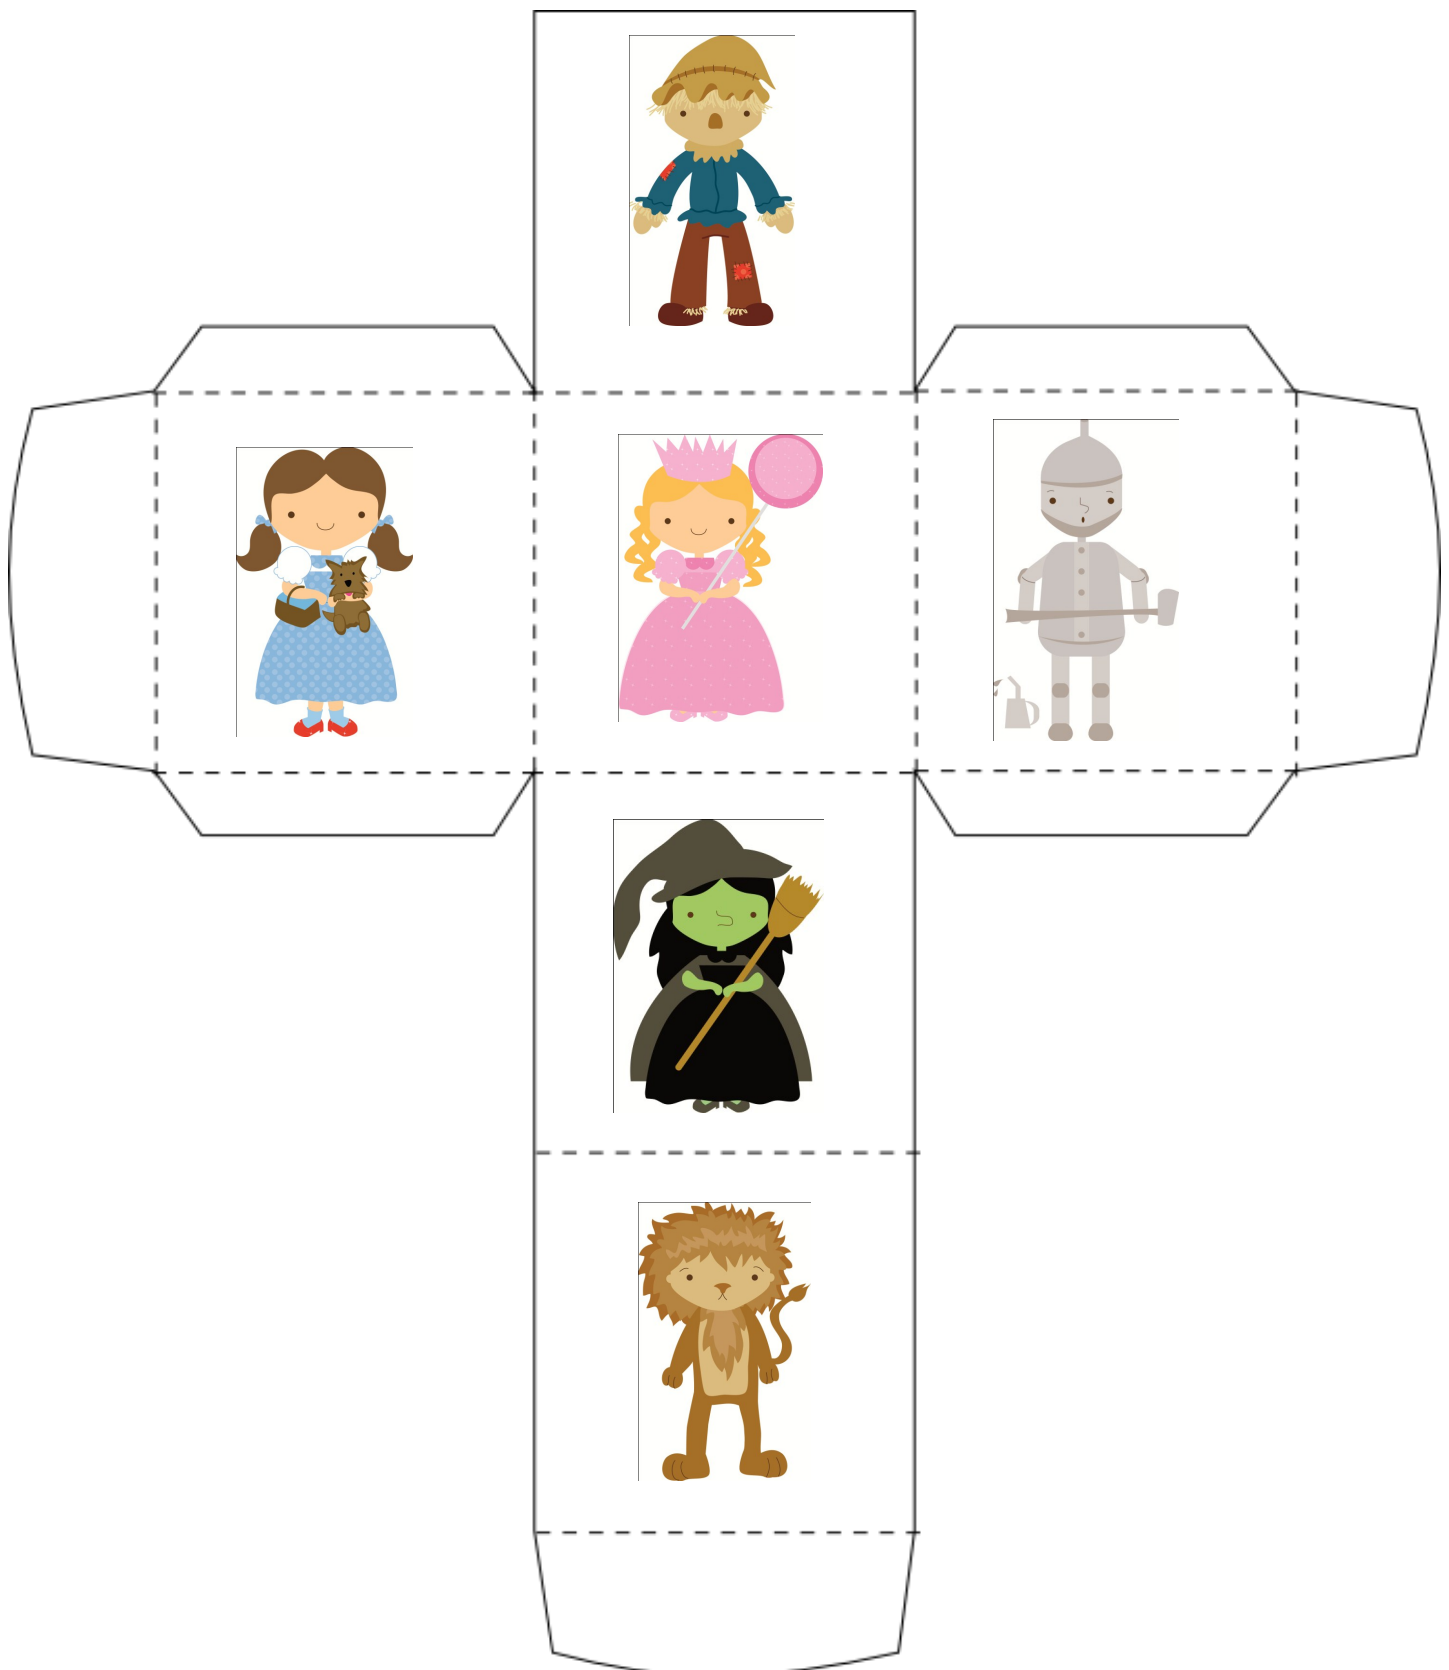

Print and cut apart puzzle pieces. Leave the numbers on so your child can practice numbering from 1-10 or cut them off and let him have fun figuring out the robot puzzle!

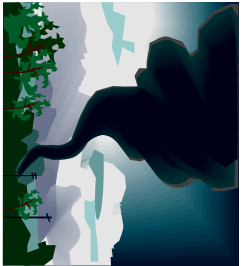

# Roll and Graph

10

Cut out the dice template below, fold on the dotted lines and tape/glue together to make dice. Have your child roll the dice and then fill in a square of the color robot that was rolled until one of the colors reaches 10!

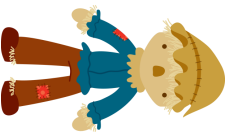

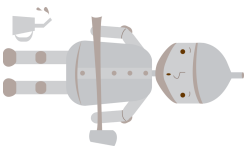

A tornado took Dorothy to Munchinland.

Glinda gave Dorothy a pair of magic slippers.

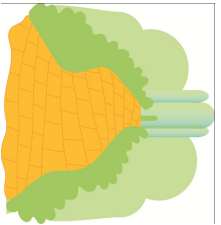

Dorothy met the Scarecrow.

Dorothy met the Tin Man.

Dorothy met the Cowardly Lion.

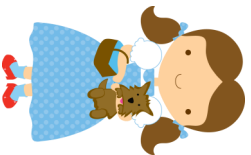

Dorothy went to the Emerald City.

water melted the wicked witch of the west.

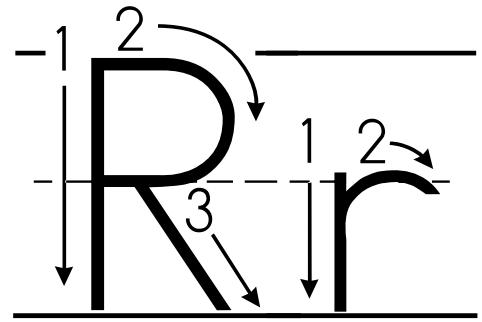

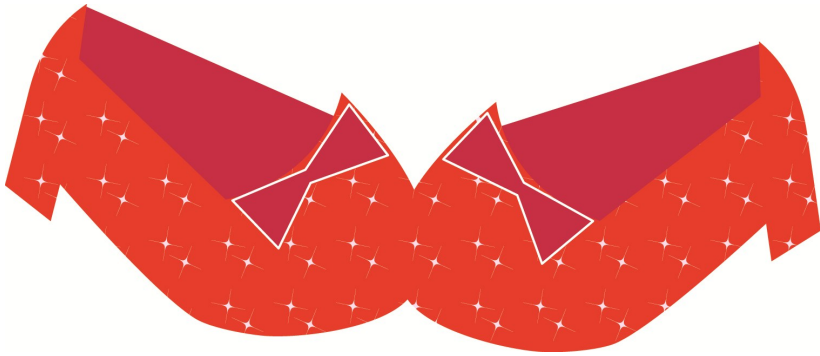

The wizard flew away in a hot air balloon.

Dorothy clicked her heels together and went home.

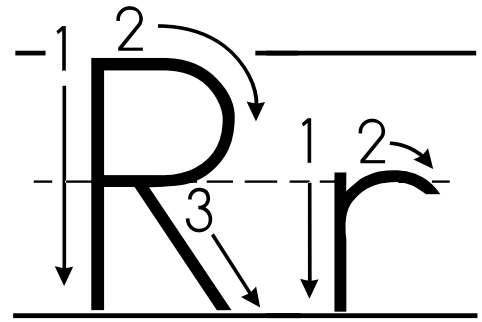

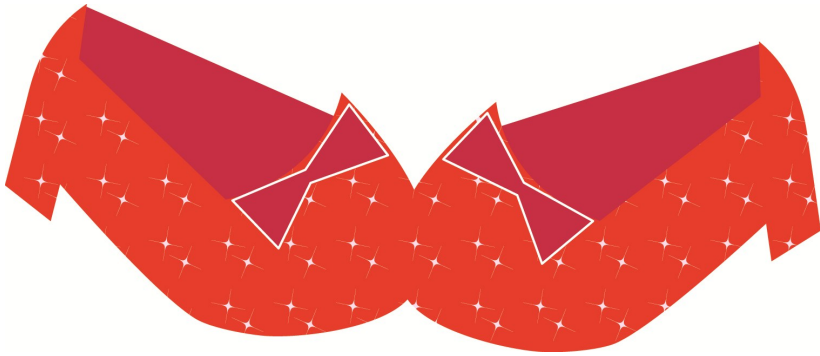

*Help your child put the events of the story in the correct order.*

Dorothy went to see the Wizard of Oz.

She made three friends. First Dorothy met

the Scarecrow. Next she met the Tin Man

and last she met the Cowardly Lion. The

Wicked Witch was not Dorothy's friend.

# Find the Words

Can you find these words in the story that you read?
